

Garretson School District 49-4

Garretson Pride Award Dorothy Williamson

Dorothy Williamson has been serving the students of the Garretson School District for nearly 30 years. She's spent a majority of that time as the school librarian and has been an invaluable resource to the teachers, students and parents of the district during that time. Dorothy is quick to volunteer her services to the Garretson School and the Community. She is always ready and willing to do whatever it takes on a daily basis. Dorothy is retiring from her position as the school librarian at the end of the 2014-15 school year. We thank her for all she has done for our school during her tenure in the Garretson School District.
