Garretson Pride Award

Lorie Whetham

Lori Whetham is very dedicated to the Garretson School District and our kids. She volunteers her time to help with the beginning of the year paperwork, forms, & health checks through the year, making copies for teachers, or making activities for a subject. Lorie is a regular substitute who is very much sought after. She will substitute on short notice and easily adapts to whichever classroom she is assigned to. She is willing to accept long term positions and is willing to come in on her own time to observe/learn the classroom to make the transition go as smoothly as possible. She is eager to learn how new concepts are taught. Lorie is very conscientious of classroom rules, expectations, and discipline and will follow them accurately.
