

PUBLIC PARTICIPATION AT BOARD MEETINGS

The board welcomes citizens of the district to attend its sessions so they may become better acquainted with the operation and programs of the schools.

In order to assure that citizens who wish to appear before the board may be heard, and, at the same time, conduct its meetings properly and efficiently, the following procedures have been adopted:

1. Any individual who desires to speak about an item on the agenda is asked to present the "request to speak" to the superintendent, the business manager or the board president. The request may be communicated orally or in writing prior to the meeting.
2. Persons who wish to speak about an item that is not on the agenda are asked to present such request to the superintendent or the board president, prior to the beginning of the meeting. Persons who present such a request will be allowed to speak about the topic in the Public Comments segment of the agenda.
3. Citizens who desire board action on an item not on the agenda will submit the item to the superintendent's office at least ten (10) days prior to the meeting of the board at which they wish for the item to be considered.
4. Presentations should be as brief as possible. Unless an extension of time is granted, a speaker will be limited to five (5) minutes.
5. Groups of people who have the same concern should select one spokesperson for the group. Comments may be limited to five (5) minutes.

The board vests in its president or other presiding officer authority to terminate the remarks of any individual when they do not adhere to the rules established above.
