

GUIDANCE PROGRAM

A guidance program will be incorporated into the curriculum to aid students in making informed and responsible decisions and in using effective decision making process.

The major objective of the guidance program is to help each child make the best of his educational opportunities toward a normal, useful, and happy life.

The program will be directed toward the growth and improvement of all pupils in the school, recognizing, however, that some pupils are in greater need of individual guidance than others.

The program will attempt to provide for each pupil a sense of belonging, self-respect, emotional security, achievement, and recognition. It will help students develop an appreciation and understanding of the world in which they live by providing a classroom and school environment in which effective learning and good behavior takes place.

A positive program of correction and prevention of antisocial behavior of students will be provided and will provide a sense of responsibility and self-respect in students.
