

PATRIOTIC EXERCISES-FLAG DISPLAYS

The American flag will be flown from the mast at each school every day that school is in session. The principal is responsible for flying the flag on school days. A small flag and standard is furnished for each classroom and must be unfurled and in evidence each school day. The Pledge of Allegiance or other patriotic activity will be performed each day in elementary classrooms. In secondary schools, the Pledge of Allegiance or other patriotic activity will be performed at each assembly of the entire student body.

Observation and commemoration of special days and events will be considered a valuable part of the instructional program of the school.
