

Garretson MS

March Students of the Month

Grace is an excellent student in the middle school. She shows vast amounts of potential and is well liked by her peers. She does a fantastic job of completing her work and adding a positive note to the class atmosphere. Grace has adapted well to middle school and will continue to succeed in anything she puts her mind too.

Noel has continued to show great effort and attitude in her school work and extra curricular activities. She is a fun student to have in class that always works hard to do the best she can. Her positivity never fails to brighten up the class room.

Molly comes to class ready to work and with a positive attitude. She did very well in both local and regional Science Fair competition. Molly received an award for best use of the scientific method and understanding of the scientific process. .
