Sam is a hard-working student. He participates regularly in class discussions. Sam is respectful to his peers and fun to have in the classroom. He has a positive attitude that is infectious to others.

Oliviyah is one of the most hard working students we have witnessed. She will work her heart out until she fully understands the problem and how to solve it. She is polite with teachers and fellow classmates and is willing to help others out when they have a question. These are the shining aspects of Oliviyah and what is expected for the student of the month

Peyton has been a strong student and a leader during her years in Middle School. She is student we can count on with a good work ethic in class. Her good sense of humor is also an asset in and out of the classroom.
