

Garretson School District 49-4

BLUE

Garretson Pride Award

Kelsey Buchholz

Mrs. Buchholz impact on the Garretson School District was immediately a positive one when she joined our school for the 2013-2014 school year. Her high level of enthusiasm and student-based approach to learning brought a noticeable energy to our school. Mrs. Buchholz introduced Journalism back into our curriculum and quickly turned the weekly school publication into something the school and community look forward to each Friday. She also became certified to teach AP English, so that GHS could continue to offer the course to our seniors.

In addition to all the positive aspects she has brought to the classroom, Mrs. Buchholz is quick to offer her services in other areas as well. She is the assistant volleyball coach, the assistant golf coach, the yearbook advisor, and is a member of the staff advisory committee. Mrs. Buchholz is one of those people who tries to make a difference by being involved.

Congratulations on your accomplishments and thank you for all you do for our school and community. You are a tremendous asset to both.
