

ADMINISTRATION IN POLICY ABSENCE

In the absence of board policy specifically covering any action that the superintendent feels he or she must take for the orderly execution of his or her duties, The superintendent may take temporary action that he or she feels will be in harmony with the overall policy of the board. However, the superintendent will not be free to act when the action involves a duty of the board that by law cannot be delegated.

In each case in which the superintendent must take such action, the superintendent will present the matter to the board for its consideration at its next meeting.
