

LOANING OF TEXTBOOKS

Textbooks will be loaned to children ages five (5) through nineteen (19), who are not enrolled in the Garretson School District or a school supported by any other governmental entity, upon written request by the child or the child's parent or guardian made prior to May 1 preceding the school term of use.

Textbooks loaned shall be the same textbooks normally used by the students enrolled in the Garretson School District.

If new textbooks must be purchased to meet the request of children not enrolled in the Garretson School District, the school board may limit the number of textbooks per student to be purchased for loan to the same amount of new textbooks that is furnished to the students enrolled in the Garretson School District.
